About Minnie....

Hayne House - Hythe, Kent

Elizabeth Jayne Photography

Firstly, congratulations!

My love for weddings began once upon a time whilst
I was in university, studying Events Management.

Many years later, If I'm not in Homesense shopping for my home,
you can find me planning a dream wedding!

My favourite saying is "knowledge is power"
& with many years of experience in the events industry,
having worked with some of London & Kent's best venue's,
I'm proud to be able to offer my clients only the best.

One thing Covid-19 has taught us, is that we never know
what is around the corner.
With many factors to consider, we make sure there's nothing
left to chance.
